

Spiel- kiste

A free afternoon for parents and children
(from the age of 3 years) to do
activities together.

Toy box («Spielkiste») is a project
which was started by the local
council in Vaduz and the school
authority.

On **Tuesday afternoons from 1.30 PM until 3 PM**,
parents and their children are invited to come to the
kindergarten. There, we will talk, play, do handicrafts,
eat and sing together. Individual counseling is available
from 3 PM to 3.30 PM while your child is supervised.
Parents will get an idea of ways in which to help their
children develop at home, as well as getting a look at
daily life in kindergarten. The toy box afternoons take
place at the kindergarten Ebenholz.

There is **no fee** and it is **not necessary to register
beforehand**. For any questions or further information
please contact the school secretary:

WE LOOK
FORWARD TO
ENJOYABLE "TOY
BOX" AFTERNOONS
TOGETHER!
