

Spiel- kiste

A free afternoon for parents and children
(from the age of 3 years) to do
activities together.

Toy box («Spielkiste») is a project
which was started by Vaduz local
council and the school authority.

On **Wednesday afternoons from 14.00 to 16.00**,
parents and their children are invited to come to the
kindergarten. There we will talk, play, do hand crafts,
eat and sing together. Parents will get an idea of ways
in which to help their children develop at home, as well
as getting a look at daily life in kindergarten. You and
your children are welcome to visit any of the kindergar-
tens which offer this. It takes place on five afternoons
in the following kindergartens: Schwefel, Bartlegrosch,
Haberfeld und Ebenholz.

There is **no fee** and it is **not necessary to register
beforehand**. For any questions or further information
please contact the school secretary:

WE LOOK
FORWARD TO
ENJOYABLE "TOY
BOX" AFTERNOONS
TOGETHER!
